

JOPLIN CITY COUNCIL

INFORMAL MEETING AGENDA

5TH FLOOR INFORMAL COUNCIL ROOM

OCTOBER 1, 2018

5:15 P.M.

1. SeeClickFix Demonstration/Update, introduced by IT Director Mark Morris and presented by Carlos Galo, representing SeeClickFix. The demonstration will show the functionality of a Central Request Management application as it applies to the needs of the City of Joplin. Discussion will center on the actual workflow from the time a citizen enters a concern, how it flows through the system, up to and including completion.

Notice posted at 12:00 pm. on this 27th day of September 2018. (RSMo 610.020)
