PRESENTATIONS

FINALIZATION OF CONSENT AGENDA –There being no further business to come before the Council, the Consent Agenda was finalized.

REPORTS AND COMMUNICATIONS

CITIZEN REQUESTS AND PETITIONS

Tom Rogers, 3517 Hackberry Lane, Joplin MO addressed the council regarding odors in the city and surrounding suburbs. He stated there was an on-line petition for this issue and he discussed some of the feedback that was provided via the petition from residents and city visitors. After discussion, the council asked the City Manager to direct staff to research other communities to find out if they have ordinances pertaining to odor issues.

Greg Huff, 115 S. Sergeant Ave. Joplin, MO, addressed the council regarding Backyard Poultry Ordinances. He asked the council to consider an amendment to the city code for the set-back and spacing requirements for chickens, as well as a variance to keep his pet chickens while this request is considered. During the discussion, City Attorney Edwards stated Mr. Huff was issued a citation for his chickens being too noisy, which is a violation of Section 18.4 of the Joplin Municipal Code. The Health Department's investigation into the noise complaint discovered Mr. Huff is keeping chickens without a valid permit, which is another violation of the code. Mr. Edwards recommended that if the council wants to look into amending the code, that the council gives staff direction much like they just did on the odor control issue. He stated Health Director Pekarek had researched this issue and will send the information to the council for their review and possible discussion at a later date.

News from the Public Information Officer, Lynn Onstot

As part of the annual Severe Weather Awareness Week, the City of Joplin will participate in the statewide tornado drill at 10 AM tomorrow, Tuesday March 6th. Joplin's outdoor warning sirens will sound for a full three minutes, just as they would in an emergency. We encourage all residents to use this drill as an opportunity to plan and prepare for a real situation. This is a good time to discuss sheltering plans with your family and co-workers and to check that you have a working battery-operated radio and flashlights, along with other necessary supplies in your designated "safe place." Joplin Parks and Recreation is hosting a "Kids Garage Sale" event at Memorial Hall on Saturday, March 17th. There's still time to get a table for \$10, or stop by on Saturday, March 17 to do a little shopping. Parks & Rec is also running a 10% off sale on swim passes until March 31st. Residents should contact the Parks & Rec department for more information.

As part of this year's Birthday Celebration for Joplin, we're inviting the public to get involved. Joplin will be 145 years old, and we're hoping to get 145 reasons people like Joplin. Participants are asked to simply complete the following sentence: "**I like Joplin because.....**". Responses should include the first and last name of the person submitting, along with their age. Ages are being included to represent favorite things of Joplin fans from all ages and eras. Submissions can be mailed to Joplin City Hall or emailed to Lynn Onstot at lonstot@joplinmo.org. We'll gather all the entries and reveal them at the City's Birthday party at 11 a.m. on Friday, March 23. More details about participating in this unique celebration recognizing YOUR city, along with other events mentioned can be found on the City's website, joplinmo.org. Thank you.

Mr. Stinnett stated he had received several texts during the council meeting that audio has been lost during part of the meeting as it was being televised. Lynn stated she would check with MSSU and KGCS to determine the issue. It's possible it has something to do with the programming providers.

Mr. West stated he attended the Bull Riding event at Memorial Hall over the weekend and enjoyed it. He commended Parks & Recreation Director Paul Bloomberg and his staff for doing a great job.

Mr. Shaw stated he had the opportunity to meet some of the council candidates for the upcoming election at a local restaurant recently. He also stated that someone in the audience commented on the lack of email response from the council, however, Mr. Shaw assured this person, and he wants the community to know as well, that the council does respond to their emails, and they take these correspondences seriously.

There being no further business, the meeting was adjourned at 8:10 p.m.

Respectfully,

Barbara J. Gollhofer, City Clerk, MRCC
