FINALIZATION OF CONSENT AGENDA

There being no further business to come before the Council, the Consent Agenda was finalized.

REPORTS AND COMMUNICATIONS

Finance Director Leslie Haase stated that since 2010, the City has issued an RFP for employee insurance benefits for a five-year period through our insurance consultant, Segal. The last RFP for insurance benefits was issued in April of 2015. In February of 2020, an RFP was issued for the five-year period beginning on January 1, 2021.

Ms. Haase introduced Kimberly Wixson, Vice President and Health Consultant for Segal, who presented the results of the RFP information. The presentation included the Request for Proposal Analysis of Dental, Vision, Life, AD&D and Long-Term Disability Proposals; the Medical PPO and Prescription Drug RFP Analysis; and the Preliminary Financial Statement and Budget to Actual Report.

The bids for the dental, vision, life and long-term disability coverage are standard decisions utilizing the same benefit plans. However, there are two solid options to consider for the health and pharmacy coverage. The City is self-insured, so the bid process is for a Third-Party Administrator and stop loss insurance, as well as the discounts that can be achieved by each provider.

Currently, the City has been with Anthem, utilizing the Freeman-only network, since January 1, 2011. The City has utilized a Freeman-only network for a much longer time period, though. Joplin is one of the few communities with a two-hospital system. Through each bid process, the City seeks competitive bids that would offer both hospitals, while providing cost-effective health insurance to city employees. To date, the cost to include both hospitals has been too expensive. This year's bid, though, presents an option to remain with the Anthem Freeman-only carrier or move to a broad network utilizing UMR under United Healthcare with the same projected cost difference by making one plan design change.

- **Option 1-Anthem Freeman-only option**-Claims costs are projected to be the same as the current discounts provided, with the cost difference mostly achieved through the ability to retain 100% of the prescription drug rebates. No change to current plan design. Projected cost difference over the current contract but trended to 2021 is a decrease of \$220,200.00.
- **Option 2-UMR/UHC broad network**-Claims costs are projected at the broad network discounts, with the cost difference mostly achieved through a lower administrative fee, prescription costs and employee assistance program fees. The network includes not only Freeman **and** Mercy, but also additional providers throughout Missouri, including Kansas City and St. Louis. In order to achieve the same projected cost difference as the Freeman-only network, the deductible would increase for a single person from \$500.00 to \$750.00 and the out-of-pocket maximum would increase from \$1,500.00 to \$2,000.00. As a result, the projected cost difference over the current contract but trended to 2021 is a decrease of \$222,400.00.

The RFP results were sent to city employees to give them an opportunity to share any thoughts they have about the options and their feedback was provided during the presentation at the council meeting.

This information does not indicate what the monthly premiums for 2021 will be yet. Premiums will not be set until the fall, when additional claims information is available in order to bid the stop loss component of the health insurance coverage.

The broad network option does include a small plan design change, which shifts some of the costs to employees in order to offer this option. However, if the goal is to offer choice to both hospitals, this may well be the best opportunity to achieve that goal.

After discussion, Mr. Stanley made the motion to approve Segal's recommendations of the following provider's: Delta Dental; EyeMed (vision); Symetra (Life ins.) and MetLife (disability). Mr. Lawson seconded the motion. Voting in favor were Council Members: Brown, Colbert-Kean, Cortez, Lawson, Monteleone, Shaw, Stanley and Stinnett, 8. Nays: 0. Absent: Reid Adams, 1.

Motion by Mr. Stanley, second by Mr. Lawson to select Option 2-UMR/UHC broad network for the City of Joplin's health provider. Voting in favor were Council Members: Brown, Lawson, Shaw, Stanley and Stinnett, 5. Nays: Colbert-Kean, Monteleone, 2. Absent: Reid Adams, 1. Abstention: Cortez, 1. Mr. Cortez abstained due the affiliation of his employment.

News from Public Information Officer, Lynn Onstot

Lane closures on McClelland Blvd, just south of 26th Street to connect a water line for the Aldi at 2630 S. McClelland Ave. Both south-bound lanes and the center turn lane will be closed, so south-bound traffic will be shifted to the inside north-bound lane and north-bound traffic will be shifted to one lane. Following this utility work, pavement and patch work will need to be done, so drivers should anticipate another short-term closure in this area in the next week or so. We'll post details as they are finalized.

Starting June 8, stormwater work will close Florida Avenue, just north of Newman Road to improve stormwater flow through the area and reduce flooding possibilities of roadways and properties after rain events. Traffic will be detoured during this project, which is expected to take about two weeks, weather permitting.

The City is offering a free Tree Limb Drop Off on the 3rd Saturday of every month through October. Drop off location is 1702 North Schifferdecker Avenue, from 8:30 – 2 p.m.

Tomorrow is the Municipal Election rescheduled from its original April date. Voters will decide on City Council members and School Board members, as well as a question posed by Joplin Schools. We wish all the candidates good luck and encourage citizens to please take time to vote.

There being no further business, the meeting was adjourned at 10:11 p.m.

Respectfully,

Barbara J. Gollhofer, City Clerk
