I. POLICY

The Ride-Along program allows citizens to voluntarily accompany officers and to observe law-enforcement activities to better understand the problems of policing. The observer may request to ride in any area at any time or with a specific officer. If convenient to the department and conditions permit, permission may be granted. The department's community-oriented policing goals include a commitment to work with the community to solve neighborhood problems and to operate an open, accessible, accountable agency. The Ride-Along program is consistent with these goals. Safety of law-enforcement personnel shall be the primary concern. (45.2.1 C, F)
